

Acknowledgments

The members of the Interstate Technology & Regulatory Council (ITRC) Pump & Treat Optimization Team wish to acknowledge the individuals, organizations, and agencies that contributed to this guidance. As part of the broader ITRC effort, the Pump & Treat Team effort is funded by the U.S. Department of Defense, the U.S. Department of Energy, the U.S. Environmental Protection Agency, and ITRC's Industry Affiliates Program.

The Pump & Treat Team thanks the ITRC external reviewers and the peer reviewers who contributed comments and suggestions that were of great help to the team in finalizing the guidance document.

The Pump & Treat Team worked tirelessly to develop, review and revise this guidance document. The team recognizes the great value of teamwork and thanks everyone who participated.

The Pump & Treat Team recognizes the efforts and contributions of the following environmental experts:
